JUN 19 2003

Technology Center 2600

Hon. Commissioner for Patents
15 Alexandria, VA 22313-145-

Sir:

Responsive to the Office Action dated February 12,
2003, having a shortened period for response which
20 expired on May 12, 2003, which period has been extended
to expire on June 12, 2003, by the enclosed Petition for
Extension of Time, Applicant hereby submits the following
Amendment with the accompanying remarks. Reconsideration
of the application in view of the amendment is
25 respectfully requested.

IN THE CLAIMS

Please amend the claims as follows. A marked up
version indicating the additions and deletions is
30 attached herewith.

1. (Amended) A recording medium having a first and
a second side comprising:
35 respective program data on said first and said
second sides of said medium; and
a first area on said first side and a second
area on said second side of said medium, each said area
having disposed thereon respective individualized laser
encoded data representing information identifying said
40 respective program data.

6. (Twice Amended) A recording medium comprising:
a first layer and a second layer, each of said
layers containing respective program data;
45 a first area on said first layer and a second area
on said second layer, each said area having disposed
